## Thank You!

**We have now finished the new kitchen, which we all think is great!**

I would like to thank Gary Rice (**Kitchen Style**, Wimborne) for providing us with a quality kitchen and some  
appliances, at cost price. **Chay Webb** (and assistant) worked very hard FREE OF CHARGE fitting the kitchen, all  
his help is very much appreciated. **Mark Robins Carpets** supplied the flooring for the Kitchen at a very  
reasonable price and **Bradford's Builders Merchants** gave us discounts for other materials and paints.

Thank you to **Forum Focus** and **DT11 Committee** for their donations to the Kitchen fund.

This makes the hut far more fit for purposes for everybody that uses it.

We do need everybody to keep it clean and tidy.

### Other Maintenance

Most of the hall has been repainted as well as the  
toilets and it's looking great.  
Many thanks to Sharon Jones and the Railway Group
