#### **Activities**

The Great Indoor Weekender was so much fun and had lots of positive feedback from parents.

#### **Development Plan**

New assistant leader, Dave, for Portman moving to the area, currently an ACSL in Berkshire, will have a Cub and a Scout with him.

Ideally would like to relocate the fire pit due to complaints from neighbouring housing (image on pg2).

Beaver Leaders thought a hut on the nature reserve (image on pg2)

Would also be nice to encourage more cycling to the hut when we return (for us and other users) so would be good to look into storage (image on pg2)

#### **Waiting List**

Beavers 20 - Cubs 20 - Scouts 9
