### ABOUT US

The Cabaret Burlesque is more than a company.

It's a movement.

Founded by **Nathalie Marrable**, this New York-based ensemble redefines burlesque, blending Parisian striptease with bold storytelling and theatrical elegance. Our shows are an immersive experience—where seduction meets artistry, and glamour meets edge. With a wink, a twirl, and a fearless spirit, we celebrate confidence, creativity, and the power of performance.

This is **The Cabaret Burlesque**—daring, dazzling, and unforgettable.
