

UNITED IN THE VALLEY

River Valley Fellowship of Ministries Newsletter

March 2026

God and RVFM are working as the Body of Christ! Just like the spring that is coming, so are the seeds we have sown sprouting in newness and hope! Powerful prayers have opened doors! Divine Connections have been made in the kingdom of God! The news of our impact in the Kingdom is getting out to the valley of the hungry and thirsty! Many testimonies of God's leading and manifestations of His grace and power to follow! Praise God! And God says to you the saints, "Thank you! Thank you, for honoring Me. Thank you for not quitting. I love you and I am cheering you on!"

United in Worship - Rivers of Living Water Church, Maplewood, MN

On January 11, our church joyfully partnered with several churches across Minneapolis to take part in the March for Jesus.

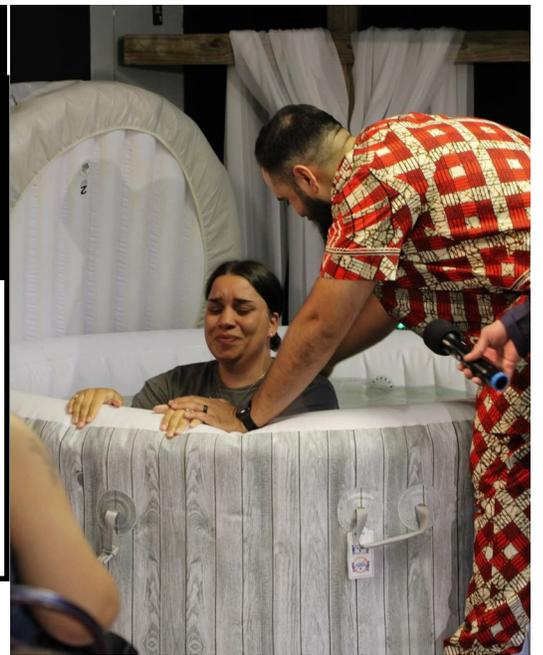

In the midst of chaos, protests, and unrest, the Church came together with one voice to pray, worship, and boldly lift up the name of Jesus. It was a powerful reminder that light shines brightest in the darkness.

Lives Transformed

We celebrated one baptism and witnessed a handful of people give their lives to the Lord. Even more beautifully, two of those individuals experienced a complete change in their walk and have since come together in holy matrimony a testimony of God's redeeming and restoring power.

ROLW

Charis Bible College and Internship Meetings

New to this year's internship recruiting at the Woodland Park Charis Campus: ARMI, four ARMI related churches, Charis and RVFM worked together to present the summer internship program to future Charis graduates.

What can you do? Pray the students are led by the Spirit, compelled to come and for favor over them in every area of their lives as they move forward. We know God supplies all our needs according to His riches and glory!

Praying with Charis students at Woodland Park Charis Campus

Amanda Meaux is the new children's minister at Impact Church! Prior to this new position she was the department head of Pro Presenter at Impact Church and still assists in that department.

David Frank is the new worship leader at Impact Church! Not only is he the worship leader, he is also instrumental in video editing and operating the camera.

Healing Testimony

A few weeks ago after the Worship portion of a Sunday Service, Pastor Matt Shipley was led by the Spirit to speak healing over the congregation. Two days later a lady that had been attending for just a short time, told us of her miraculous healing on Sunday. She had suffered for years with painful kidney stones. When she came to church that very Sunday she was in horrendous pain again but determined to come. When Pastor Matt spoke over the congregation the pain left immediately! She has since been free of pain! Thank you, Jesus!
