Dennis & LeAnn's ministry in Winona

Let us not grow weary or become discouraged in doing good, for at the proper time we will reap, if we do not give in. Galatians 6:9 I really encourage you to listen to Don't Quit message from Greg Mohr. <https://youtu.be/Y8BhqqAZsi4?si=lpWAGK-4X9TPcMbH>

We are so blessed to share with one another the times we feel weary and to pray with one another. We have the only living God who strengthens us , gives us more grace and helps us finish the race.

"Mindi and I thoroughly enjoyed this year's AWM Ministers Conference. It was a blessing to enjoy some fun and meaningful fellowship with our RVFM colleagues. We also received a powerful word from Jerry Garcia: **'Allow room for the Holy Spirit to move in your churches.'** Since returning, we've been intentional about doing just that and have seen the Holy Spirit truly minister to our congregation." Meeting and prayer over our new sister church — House of The Way

Testify of His Goodness

Testimony from Engage Church:

One Sunday morning during worship, a couple walked into church. The man had attended Engage Church before, but this time he decided to bring his girlfriend with him.

During worship, a word was given that touched this woman's heart deeply. She wanted to know more about God.

In the weeks that followed, she received Jesus as her Lord and Savior and was later baptized in the Holy Spirit, with the evidence of speaking in tongues.

At the time, she had been dealing with several health issues, including fibromyalgia. She was taking 12 different medications. But little by little, as she continued to receive the Word at church and follow the leading of the Holy Spirit, she began to experience healing and improvement.

Today, she is down to only two medications and has been healed of fibromyalgia. She can now physically do things she never imagined she could.

This past September, she also married the love of her life—the very one who invited her to church.

Her healing has been a journey, and it continues to be one where she relies on Jesus daily. She often shares that she has come to understand God's true nature—that He is good and has always wanted to help her.

Successful Vision Night in Siren, WI for upcoming Forward Church

Many in the community and supporting church staff came together this past October to pray together and share God's vision for Forward church plant. The family of RVFM supports and prays for the upcoming sister church and the community that will receive God's Word, His power, and freedom we all have through Jesus Christ.

River Valley Fellowship of Ministries Fall Gathering

One Mind, One Accord, One Passion

Ideas were shared to unite us in fellowship and how to actively and consistently stay in communication

We “broke bread” together

Prayed and worshiped together

Looked out for the interest of others and became more acquainted.

In one accord...

*Ministers unable to attend... we missed you!
You are remembered, loved and prayed for!*

Don't miss the RVFM Spring Gathering, April 2026 !

Dennis and LeAnn Krey ministered to people at The River Bible Church in Winona, MN in November.

Many received from the Lord, in a powerful prayer after the service and requested they would love to have them visit again. What a blessing they are to RVFM!

Pastors, contact Dennis and LeAnn if you would like them to minister at your church.

Upcoming Events in RVFM churches and ministries

Week Devoted to God is scheduled for **February 1-6, 2026** at RVCC.

It's a little later this year to hopefully find a "softer" spot in everyone's schedules! Just like previous years, we'll have daily corporate prayer time, and evening services. Special guest **Duane Sheriff** is all but absolutely, positively confirmed to be joining us that week, so it will be a good one!

The final schedule will be available closer to the event. Can't wait to see you there.

Faith Family Life Center

Healing School is continuing at

11840 Valley View Road Eden Prairie 55344

Healing School will be held every Monday beginning at 7:00 pm. If you or someone you know needs healing this is the place to be. Healing is taught from the Word and ministered by the Spirit. We are also training Healing Technicians to learn how to build faith and minister effectively. *Pastors Mark and Laurie* will be ministering regularly as well as others who are called and effectively used by God. Come be a part of the testimonies of ears opened, vision restored, bones mended, and cancer gone to name some of the results in the past. Jesus is our Healer!
