

SPONSORSHIP OPPORTUNITIES

Women Working in Technology (WWiT) depends on sponsorships from supporting organizations and individuals to carry out our TRANSFORMED mission to promote and empower Diverse People in technology. In addition to our annual conference, a keystone feature, WWiT does professional development for graduate student members. www.WomenWorkingInTechnology.org for conference information.

Sponsorships will support paying for the platform so we can keep our registration fees low. \$20 for professionals, \$10 for non-profits, \$5 for students and an “uplift” option for those who can’t afford to pay.
