

A person wearing a beige knit sweater is holding a rustic wooden tray. The tray is filled with various spa and wellness items. On the left, there are several small, lit white candles. Next to them is a small glass bottle of white oil or lotion. A blue candle in a glass holder is also present. A jar of white cream or lotion sits in the center. To the right, there is a small cup filled with a light-colored scrub or salt. Slices of orange and lime are arranged near the scrub. A small bouquet of lavender and daisies is on the left side of the tray. Two white towels, tied with twine, are rolled up and placed on the right side of the tray. The background is softly blurred, showing warm, golden light.
