

Harris County ESD 4, Huffman Fire and EMS will provide fire protection, emergency medical services, rescue, and assistance to Huffman and surrounding areas. \ We are always here when you need us.

In preparation of the potential upcoming weather event, we are prepared with extra personnel and equipment to do everything we can for anyone who needs assistance.

To contact us for assistance, call 911 and give as much information as possible about your location and your needs.

If your need is not an emergency or 911 is unavailable, as some time happens during these types of event, call one of stations non-emergency numbers.

Huffman Fire 281-324-4646

Huffman EMS 281-324-9110

We will make every attempt to keep you informed about weather, road closures and community resources through our Website and Facebook pages.

We will not respond to requests for emergencies or other assistance via Social Media.

Thank you in advance for your assistance
