

HELLO, HOMEOWNERS!

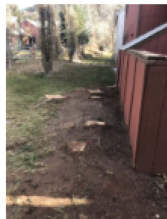

Annual Meeting

Mark your calendars for our annual meeting on Wednesday, September 16, 2020 at 6:30 PM at the Basalt Town Hall. Greg Knott, Chief of Police, will be attending to discuss community safety and other concerns you may have.

Holiday Star

The Holiday Star on the mountain top has been re-lighted to guide us through the COVID-19 Pandemic. Our thanks to Rick Stevens, the Everetts, the Uptons and anyone else who helped make this happen.

Common Area Tree Maintenance

Belinski Tree Care, Inc. will be removing dead and declining trees on Roaring Fork Ct, lower end of Park Circle and Elk Run Drive in the near future. The subject trees are marked with orange bands. This is the second phase of our five-year tree maintenance program. The photo on the left shows the work done last year.

Waste Collection

Just a reminder that Mountain Waste & Recycling was selected as our preferred waste collection contractor. They can be reached at (970) 963-3435 to transfer service or update your billing information as a homeowner in our Elk Run SFOA.

SOCIAL DISTANCE & STAY HEALTHY
