Welcome to the new Academic year 2024-2025!

Dear Students, Donors, and Sponsors,

Welcome to a new school year! We are excited to see our students continue their journey toward success. May this year be filled with growth and achievement.

To our donors and sponsors, thank you for your generous support. Your contributions make education possible for the children of rural Haiti. We invite others to join us in making a difference.

Every child deserves to be in school!

Together, let us make this year a success for those who need it most!

Sincerely,

Massillon Richemond Foundation
