

Kristen Kramer is a Business Coach-Consultant | Co-Author Amazon Best Seller | Bold Moves Boss Up Your Business | F-bomb droppin' Mom | Tell it like it is | Unapologetically Authentic | Success or failure OWN it | Daring to DREAM BIG Bold Moves Boss

For more than 11 years, she has provided business management services to entrepreneurs and business owners; showing them how to double their time, maximize profits, and create a business that serves THEM and the world they wish to serve.

Kristen Kramer is the founder of Bold Moves Boss and best-selling co-author of "Life by Design". Kristen works with business owners who are overwhelmed & frustrated trying to figure out their systems, processes, & tech stack. Her 360 approach crushes overwhelm & shows you the bold moves YOU can make to boss up your profits & love your business again!

Bold Moves Boss is built around the philosophy that every business is unique, and every business owner deserves a strategy designed around them; the way **they** work in their business, the way **they** process information and problem solve. That's why every strategy she create with her clients is designed to meet them **where they're at** and **personalized** to their individual needs.

She's passionate about making the work you do with your clients more impactful so that every spark she (re)ignites, ignites the spark in others to set the world on fire.
