Captain Hyperscaler Announces Official Status as ISACA Accredited Training Organization

Captain Hyperscaler to offer ISACA courses as an official accredited training organization.

DETROIT – Captain Hyperscaler proudly announces their status as an ISACA accredited training organization. After a thorough screening conducted by APMG International, Captain Hyperscaler joins the prestigious list of accredited training partners.

“ISACA’s mission for the pursuit of digital trust is honorable,” CEO Dwayne Natwick said. “We’re proud to play a part in accomplishing that mission.”

Captain Hyperscaler will be offering ISACA certification training courses as part of their Training Sagas or as standalone bookings. The courses offered include ISACA CISM, CISA, and CRISC certifications, along with the Certificates of Emerging Technology (Cybersecurity, AI, Cloud). Regardless of the saga you choose to pave, Captain Hyperscaler’s training professionals are committed to providing a personalized experience to help you Skill Up Like a Super Hero™.

“Captain Hyperscaler and ISACA share a common belief in the power of community,” Dwayne Natwick said. “Our trainers are proud members of the IT community who seek to help fellow IT heroes reach their full potential.”
