CAPTAIN HYPERSCALER

MONTHLY NEWSLETTER

Welcome to the Captain Hyperscaler™ monthly newsletter. Your source for information to help you Skill Up Like a Super Hero™.

WELCOME

Captain Hyperscaler™ is here to solve your business needs for AI, cybersecurity, cloud security, and cloud transformation. Our certification and custom training sagas will build a highly skilled team and increase employee retention. Companies that invest in training and support certifications for their teams have higher retention and happier employees. Captain Hyperscaler™ can take them from their origin story to an epic saga conclusion.

AKYLADE CYBERSECURITY FRAMEWORK

Captain Hyperscaler's has become an Authorized Training Partner for AKYLADE. AKYLADE's certifications are designed to be affordable, relevant, and practically focused on a candidate's ability to be successful in the cybersecurity or information technology industries. We are excited to add these Fundamentals and Practitioner level courses to our porfolio to extend the training saga for Cybersecurity, AI Security, and Risk Management.

CYBERSECURITY AWARENESS

Skill Up Like a Super Hero™ with our IT and Security privacy and risk awareness hero training will prepare teams to plan, create, and analyze social engineering campaigns for a risk aware business. Our user awareness hero training will create a risk aware user community that understands and recognizes social engineering.

INDUSTRY UPDATES

Resilience, rather than security, is an increasingly important strategic and operational issue: the ability to prevent, respond to, and recover from attacks with minimal damage to the business. With the digital world becoming more complex and unpredictable – partly due to the rise of accessible AI tools that enable attackers to spoof voices, create deep-fake videos, or generate plausible phishing attacks – attention is turning to organizations' ability to be resilient, rather than watertight and inviolable.
