

MONTHLY NEWSLETTER

Welcome to the Captain Hyperscaler™ monthly newsletter. Your source for information to help you Skill Up Like a Super Hero™.

WELCOME

Captain Hyperscaler™ is here to solve your business needs for cybersecurity, cloud security, and cloud transformation. Our certification and custom training sagas will build a highly skilled team and increase employee retention. Companies that invest in training and support certifications for their teams have higher retention and happier employees. Captain Hyperscaler™ can take them from their origin story to an epic saga conclusion.

CAPTAIN CYBERSCALER HAS LAUNCHED

Captain Hyperscaler's alter ego, Captain Cyberscaler, has partnered with industry leading partners to support the needs of business for virtual CISO for governance, compliance, and assessment services, and managed security operations services for risk, threat, and vulnerability detection and protection. These services include 24x7 security, network, system, and endpoint operations.

CYBERSECURITY AWARENESS

Skill Up Like a Super Hero™ with our IT and Security privacy and risk awareness hero training will prepare teams to plan, create, and analyze social engineering campaigns for a risk aware business. Our user awareness hero training will create a risk aware user community that understands and recognizes social engineering.
