As a long term client of On Call Home Care Services I would like to take a moment to share my experiences. The On Call staff and Priscilla Eckert have been providing care for my father since 2017. The caregivers have provided kind, gentle and loving care for him. They are in constant communication with me on any issues or needs that arise. Dad, who is nearing 100 years old is currently in hospice care and his needs are even greater now than before. I'm sure the amazing care he receives contributes greatly to his longevity. His current caregiver Linda treats him with attentiveness, gentle care, kindness and love as if he were her family member. Priscilla Eckert has taken such personal involvement with "Grandpa" that I have adopted her as part of my family. I have immense trust, confidence and comfort from the care that is administered to my sweet Dad. He is so happy and appreciates the care he receives and often shows it with a wink and a smile. I respect the professionalism used and the gift of selfless caring they all share.

I feel truly blessed to have had the opportunity to have On Call provide care for him and I would recommend the agency to anyone who wants to provide the best care possible for their loved one.
