Dear Priscilla,

12.26.21

Thank you for the bottle
of Sympson's Red Wine. So thoughtful
for you to think of me at
Christmas time. Hope you had
a lovely Christmas and may the
New Year bring good tidings your way.
Best, Aunt

Perhaps you sent a lovely card,
Or sat quietly in a chair.
Perhaps you sent a floral piece,
If so we saw it there,
Perhaps you spoke the kindest words,
As any friend could say.
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts,
We thank you so much whatever the part.

The Family of

he will be missed ... but
his passing was loving and
peaceful - with us holding

Thank you so much. This process has been emotional. We really appreciate your professionalism and caring. It has been a great comfort. We feel this is the right timing for this decision. So sorry if Esther is not kind to you or your ladies. Everyone has been great

Dear Priscilla,

2/13/23

I want to personally
thank you for your
tender, loving care of
my mom at the end
of her life. We couldn't
have asked for more
from the time we
met Grace as she started
caring for Carol. We all
had a great sense of
relief knowing how
well Grace was caring for
her.

You had a big hand
in that and for that
we are very grateful.

Your work must
be very meaningful for
you. You enrich people's
lives by putting great
people in place to
care for their loved ones.
And you do a lot of
work too!
