Make wellness your business

Building a Shaklee business your way means that you can start how you want and go as far as your efforts take you. Whether you share and earn or try to get the most out of this plan by sharing and building a team, you decide.

Shaklee has a path that has your back, with a track record of paying out more than \$9 billion in commissions over the last 65+ years.* And this is how you get started.

YOU CAN EARN

30%

on all the purchases your new customer makes in the first 30 days.

\$75

On top of these commissions, earn \$75 for every \$500 purchased by three or more new customers each month.

10-40%

on all purchases of returning customers.

And that's just what you can earn by sharing effective wellness solutions that make a positive impact. If you're interested in referring others to do the same and earning more, scan the QR code to see even more ways to earn.

*Shaklee makes no promises or guarantees regarding earning additional income or any other earnings opportunity. The success or failure of each Shaklee Ambassador, like any other business opportunity, depends on your own skills and personal effort.

Shaklee Ambassadors do not earn compensation for the recruitment or sponsorship of other Shaklee Ambassadors.

The Shaklee Compensation Plan is new and has limited earnings history. The financial results of all Shaklee Ambassadors for the preceding year under the existing compensation plans are contained in the Shaklee Average Earnings Chart that can be found at <https://us.shaklee.com/earnings> which does not include Ambassador costs.
