

A scenic view of a city skyline and a bay, framed by a tree branch and a balcony railing. The view is taken from an elevated position, looking out over a body of water towards a city with numerous skyscrapers. A prominent bridge with a large arch spans the water. In the foreground, a white stone balcony railing with decorative balusters is visible, along with a potted plant and a white table. A large tree trunk and branch are on the left side of the frame, framing the view.
