Directed by Glenda Kale, **The Loss World Monologues** debuts in Charlotte, NC!

Adapted from the book *The Loss World* by Mary London Szpara, Ms. Kale has put together a unique and compelling cast that will bring the journeys of love and loss to life on stage.

The emotional rollercoaster begins with Nancy Farley Brennan ("Gracie Anne"), and continues with Cindy Lyman ("Amber"), Janine Atkinson ("Cassandra"), Brittany Bass ("Charlotte"), Brianna Daniels ("Amethyst"), Robin Weaver ("Shannon"), Hannah Taylor ("Mary"), Mandy Smith ("Kate") and Susan Tobelman ("Jana").

Seasoned professionals and newcomers alike embrace their characters to create depth and an emotional experience unlike any other as they move through their life changing experience. This amazing diverse group of women reveal their grief, desolation, joy and laughter on their journeys to heal. Cry, laugh and cheer along with them!

Alison Nickerson, a veteran of stage management provides additional expertise as assistant director/scenic designer/tech director and more in this all female production.
