

STEPS TO BECOME A CCHI NEIGHBOR

1

LEARN ABOUT CCHI

Learn about our co-living opportunities at CCHI Co-Living. If our community seems like a good fit for you, fill out the [Interest Form](#) and join CCHI as a member.

Next, attend an Information Session to learn more about our community and requirements, and come for a tour of the building to get a sense of our space and environment.

GET TO KNOW OUR COMMUNITY

2

Attend CCHI's member events and programs to connect with other members and learn about the collaborative spirit of our community. As a volunteer-based organization, families play an active role in everything we do. You can join one of our many committees and contribute your time and talents to help build and sustain the community.

3

INTERVIEW

We want to ensure that we align with your needs and that you align with ours. CCHI will invite you to an interview to ensure mutual compatibility. If we determine we have a fit, we request a deposit to hold a unit for you in our building.

COMPLETE APPLICATION PROCESS

4

Once you're accepted, complete the application process and select your preferred unit. Now, it's time to dive deeper into the community by actively participating in getting the building ready for occupancy and ensuring that all residents feel truly at home.

5

ASSESS NEEDS

Choose your support services to ensure you have everything you need to thrive in your new home and community. CCHI will introduce you to the various agencies in our area who can provide support for each resident to select which one works for them.
