## KANGAROO FACTS

Kangaroos are marsupials, which means that females carry their babies, or "joeys," in a pouch.

Kangaroos have some funny names. Males are called boomers, bucks or old men. Females are known as flyers, jills or does.

## JUST JOKING

What do you call a lazy baby kangaroo?

A pouch potato!

## Color the Kangaroo

Real kangaroos are gray, brown or red. But yours can be any color you want it to be.
