

	Cassidy Pledge
	<b>We LOVE.</b> I choose to see the BEST in others, to keep no record of wrongs against others. I choose to create a culture around me where people feel accepted and valued. I commit to a “Strife-Free Zone” and will not allow offenses or contention of any kind between myself and leaders, members or guests in our church community.
	<b>We CONNECT.</b> I choose to actively build REAL connections with others in our church community. I commit to be actively engaged as a participant of a small group or Sunday School class. I will intentionally look beyond my own comfort zone to invite and build relationships with other people in our church and community. I will consider others and their needs for real connections above my own level of comfort.
	<b>We SERVE.</b> I commit to regularly serve my Faith community, both through regular church ministry activities and through regular outward outreach opportunities. I will choose to serve once a quarter on a specific service outreach. I will continually look for opportunities to be the hands and feet of Jesus.
	<b>We GIVE.</b> I commit to invest my resources into this Faith community. I will give of my time, passion, finances and any other resources to be a part of changing lives through the ministry efforts at Cassidy. I choose to grow in my giving, increasing my financial support of my church.
	<b>We GROW.</b> I choose to continually seek new growth and development in my relationship with God. I understand that small groups/Sunday School are vital to my survival and so commit to being actively involved in a small group/Sunday School class. I commit to higher level of investment in my personal relationship with God and will prioritize my personal time with God every day.

*I commit to a passionate pursuit of my faith walk in all these 5 areas, and I will passionately encourage those around me to do the same. I give permission for my pastor and staff leadership to offer accountability and encouragement to me along as I strive to live within these 5 areas.*
