ABOUT ME

A dedicated architectural student, focused on urban planning, environmental impact, revitalizing smaller communities, sustainable design, and customer satisfaction. Ready to elevate design skills and communication, I am committed to a strong work ethic that goes beyond meeting both anticipated and concrete objectives in various settings and with diverse team members. My aim is to enhance client relationships and make a meaningful contribution to the team.

EXPERIENCE

Fitness Assistant & Supervisor _____ 2020 - Present

University Recreation Center - Louisiana State University

- My daily tasks include supervising all cardio and weight room activities, enforcing gym policies, maintaining a clean and safe workout environment, serving as a customer service representative, overseeing fitness assistants, and ensuring the facility is opened and closed on time.

Shadow _____ 2018 - Present

Clark Construction & Maintenance

- Involved in various aspects of the construction process. I worked on commercial and residential floor plans and participated in the redesign of homes. My responsibilities included visiting construction sites to inspect the work to ensure it adhered to the provided drawings, overseeing quality control, discussing project plans with subcontractors, and verifying completed work for payment purposes.
