PARTY GAME
FOR EVERYONE!

DRAW. CONNECT. GUESS. LAUNCH!

You're aboard a starship on an epic journey across the universe! Complete Missions by drawing pictures using only the stars on your map. Get guessed, earn rewards, and be the first to reach the Finish Space to win!

HOW TO PLAY

1 DRAW A MISSION CARD

The Artist gets a secret word. Everyone else only gets the category clue.

2 CHOOSE YOUR CHALLENGE

Pick the Star Map level you want to attempt. The harder the map, the farther you'll go!

3 CONNECT THE STARS

Create your drawing by connecting star to star without lifting your pencil or crossing lines.

4 GET GUESSED

Your crew calls out guesses while you draw. Add Finishing Stars for those final details.

GIRAFFE!

If guessed correctly, move your spaceship based on the difficulty you chose and earn even more with Boost Stars and Mission Bonuses!
