

PENCILVANIA

DRAW CLUES. REVEAL HISTORY. SCORE BIG.

A HISTORICAL TRIVIA DRAWING GAME

One player draws. The team guesses. But watch out—the most obvious clues are forbidden!

Use creativity, quick thinking, and a little historical know-how to connect the dots and earn the most points!

HOW IT WORKS

Each round has up to three chances to guess. The faster you guess, the more points you earn!

1 ROUND 1

⌚ 1 MINUTE
10 POINTS

The team hears only the category. The artist draws a clue. Guess correctly to score 10 points!

2 ROUND 2

⌚ 45 SECONDS
7 POINTS

If no correct guess, the advanced clue is read aloud. The artist draws a new clue. Guess to score 7 points!

3 ROUND 3

⌚ 30 SECONDS
3 POINTS

If still no correct guess, the basic clue is read aloud. The artist draws a final clue. Guess to score 3 points!
