50CC Open	65cc Open	85cc Open	Open A, B, C Womens

All the same CC classes will be running together with one gate drop or start being scored by class. You cannot enter a class younger than your age as of January 1, 2025, you can enter an older age bracket if you are turning that age during the season. If you are racing in a beginner class, that is the only class you can race in; if you are racing in an age class, you can also race in the appropriate open class. You may only race in beginner class for one season before moving up to age-appropriate class. Moto is a 2-moto event, in the event of a tie, the rider with better placement in the 2nd moto is the winner. Enduro is a Sprint format, 3 laps total, best over-all time wins.
