Madison Rose Chapter 43  
Madisonville, Texas

Madison Rose members always assist the T.J. Goree Camp in flagging Confederate graves in Madison County. Larry Figley is a Golden Rose in TSOCR as well as Commander of the T. J. Goree Camp. Look at his dedication to help flag after having his 5<sup>th</sup> hip surgery .(see picture)

We also have members that give programs at the Huntsville James Gillispie Camp and the Anderson Grimes County Greys Camp. It is such a great feeling of giving when you can help another camp .

Recently, Lynn Daughdrill contacted the Counselors of Navasota High School; Anderson High School; Iola High School; North Zulch High School and Madisonville High School about the TSOCR Scholarship . These schools have had students participate in our scholarship since 2008 and two students from Madisonville High School were the essay winners.

We have a lovely and friendly group and enjoy visiting with each other at our meetings.

Tis a Joy to be a Rose!

Jennifer Figley, President
