Cactus Rose #23

January-April 2025

Quarterly Report

Cactus Rose has been represented at General Business meetings in both January and March.

We have had members in attendance at each monthly meeting with SCV Camp #1904 where we provide food and support.

Members have been active in placing flags on Confederate graves throughout our counties.

Cactus Rose and Painted Rose also attended the Texas Division Annual Picnic in Mexia

Cactus Rose and Painted Rose are very active in a joint effort to provide services to both Camp #1904 and #2283 in preparation for the 2025 SCV Texas Division Reunion.

We enjoy doing our part in preserving our Southern Heritage and plan more activities as the weather gets nicer.
See y'all in Mineral Wells in June!

Chapter Rep Cactus Rose #23

Madison Rose Chapter 43

Madisonville, Texas

Members of Madison Rose assisted the T.J. Goree SCV Camp #2129 with flagging the graves of Confederate Veterans buried in the cemeteries of Madison County. This is always a favorite of our Rose group.

Larry Figley even flagged by using a scooter due to his latest hip surgery and is still using a walker to get around.

Larry and Jennifer are still doing programs for the T. J. Goree Camp of Madisonville, the Capt. James Gillispie Camp of Huntsville, and the Grimes County Greys Camp of Anderson.

Veronica Landmann attended the Heritage Groups Celebration at the Confederate Memorial Plaza in Anderson, Texas on April 19, 2025. The event marked the 24th anniversary, honoring the more than 1,700 Confederate soldiers from Grimes County who served in the Civil War.

Veronica proudly stands beside the Confederate soldier statue at the entrance of the Plaza.
