Cactus Rose 2023

July 2023

Summer brings hot dry weather but many opportunities to honor our Southern Heritage.

We began this quarter with "A Southern Tea". Cactus Rose, Painted Rose and Mattie J. Gano were in attendance.

The beginning of June brought the Texas Division Reunion and TSOCR Annual Meeting.

Later in June, Mattie J. and Cactus Rose participated in the 160th Gettysburg Reenactment

July began with the 4th of July Parade in Stephenville. Cactus Rose and Painted Rose joined Camp 1904 on their float.

Next, the National Reunion in Hot Springs, AR. Many Texas Chapters were in attendance.

Below are pictures of just a few:

Madison Rose #43

The Annual meeting in Lubbock was a very enjoyable event for all. We visited with friends across Texas and met new people as well. Friendship and the love of our Southern Heritage is so important. Another important subject is the Marilyn Sweeney Scholarship that is available each year. It is a pleasure to visit the Counselors of five local School Districts and share the applications each year.

This year was super exciting for our chapter.

The winner of the Scholarship is Ingrid K, Grooms of Madisonville High School, and her mother is our newest member, Veronica Land. Jennifer Figley was honored to present the Certificate and paper weight.
