

CURRICULUM VITAE

Amanda Reikowsky, CMCPs, CPC, CRC, CPMA, CDEO

501 N. Pine St. Hemlock, MI 48626

amanda@codewisesolutionsllc.com

Amanda Reikowsky is one of fewer than 50 Certified Medical Cost Projection Specialists (CMCPs) in the USA and Canada. With her extensive background in Medical Coding, Billing, and Reimbursement, her reports and evaluations of health care costs are based soundly in guidelines established by the American Medical Association, Medicare, and Commercial payers. Amanda is also a recognized speaker covering topics such as Medical Necessity, Medical Decision Making, surgeries in Neurology, Orthopedics, and Thoracic specialties, and coding for Life Care Planners. She has been retained in over 100 cases by both Plaintiff and Defense attorneys, has completed 20+ depositions, and over 30 Life Care Plan coding consultations since starting her consulting firm.
