

St. Nicholas Academy

What's Happening at St. Nicholas Academy?

November was truly a month of giving thanks at The Academy! The students talked a lot about what they are all grateful for. During our Family Fun Night, we held a pumpkin bake off and everyone enjoyed sampling the amazing treats for a good cause. Thank you to all the families who came, baked and sampled! We raised over \$450 for our Faith In Action project of the month benefitting Active Heroes!

Looking toward December, we want to keep the kindness and gratitude flowing! This month's Faith in Action will focus on brightening the spirits of the children stuck in the hospital for Christmas. We will be collecting gifts for the pediatric patients at Lehigh Valley Hospital through December 15th. There are strict guidelines to what the kids are allowed to receive and suggestions for the most requested items. Please see the information in the lobby or ask Mrs. Hrousis for more details on participating!

December also brings about the always beautiful Nativity Program. The kids practice so hard to present the story of The Nativity for you! Please plan on joining us for the program and the holiday auction that happens simultaneously. It is a great opportunity to pick up some last minute holiday gifts at a bargain! Donations for the auction will be collected until Dec. 15th. Please see our parent coordinator for this event, Lisa London, with questions.

For additional information about the school, how you can support us, upcoming events, fundraisers and community outreach projects, please visit our website!
