In the spirit of the season, our collaborative brew is a classic Märzen lager, which is the beer style traditionally served during Oktoberfest. Our Märzen beer is a smooth and malty amber colored lager. Sensory profile includes layers of toasty bread, honey, and a hint of chocolate. It's the perfect pairing for America's favorite pretzel brand.

This hazy IPA was brewed with a ton of oats and hopped with silly amounts of Citra, Strata and Excelsior. Notes of ripe peach, orange, melon and berries. Rich, smooth hop flavor with a citrusy finish.
