

**BUSINESSES SET YOURSELF APART FROM THE COMPETITION - SUPPORT US TO SUPPORT YOU!**

Now is your chance to be part of the fastest-growing music genre and American Dance venue, enjoyed by people of all backgrounds and ages. Differentiate yourself from the competition by supporting this thrilling, people loving venue, with the most diverse people. According to Travel and Leisure Magazine, The Puget Sound area is ranked #14 in the United States as it pertains to entertainment, even though U.S. News and World Report has it as the #1 state in America. From an economic development perspective, one must consider making this state move forward in the music and entertainment genre. We cannot as a state continue to be the #1 state in America, without moving up the ladder of consumer relaxation. A happy employee is a productive employee. Show you desire a happy employee, your production rate will most likely increase. Washington state, #1, in one aspect of Economic Development, #14, in another aspect. Jazz and Zydeco are the fastest growing music venues in America, and its sitting directly in your backyard, **The Pacific Northwest International Jazz - Zydeco Heritage Festival**, Tacoma, Washington. Set yourself apart from your competition, guide your state to the #1 spot, in travel and leisure. Support us: [www.pacificnorthwestjazz.com](http://www.pacificnorthwestjazz.com)
