**Real World Economic Development Academy** is developing a regional economic development organization for **Puget Sound’s African Descent**, extending from Everett up to Olympia and crossing over to the eastside. We are recruiting serious black folk desiring a change in their communities. If you are serious about constant learning, enroll in our Introductory 5 month Economic Development classes for a \$75 donation. Once you have completed your 5 months, you will have monthly classes—Donation Free as long as you are in our **(NSEDA) Regional Economic Development Organization**.
