### THE M<sup>2</sup> CHAPTER OF NMWAIT, INC. LAUNCH

**Columbia, Maryland-** The National Minority Women Association in Transportation, Inc. (NMWAIT) has officially launched the **M<sup>2</sup> Chapter** of NMWAIT. NMWAIT, Inc is committed to ensuring continued diversity, equity, and inclusion within the transportation industry.

The M<sup>2</sup> Chapter was formed to ensure minority men's voices are heard and valued. The continued concerns that minorities face as ONE is what will lead the charge in advocacy efforts of NMWAIT. If we stand as ONE together, we will have the capacity to enact the necessary change that is lacking within the transportation industry.

M<sup>2</sup> will consist of a group of minority men who understand, value and are committed to seeing men elevate to the next level! Whether you are a government contractor, truck driver or supply chain executive, M<sup>2</sup> will provide a safe space for all to network, grow and succeed within the transportation industry. No ONE man gets left behind!

We encourage all to join and become a part of the NMWAIT movement!

*We Are Stronger Together and Together We Are One In NMWAIT!*
