NMWAIT, Inc. We Believe Campaign Initiative

Laurel, Maryland – The National Minority Women Association In Transportation Inc. 's We Believe Campaign Initiative is a call for industry leaders, agencies, organizations and companies to join us in our continued commitment for solidarity, advocacy, and to promote a safe and respectful workspace and community.

The We Believe Campaign goal is to ensure that we all understand the importance of advocating for survivors regardless of gender in the transportation industry.

We must seek justice together by Believing, Advocating, Educating, Supporting, Leading, and Reporting!

As leaders in the transportation industry this voluntary pledge will show and measure your commitment to ensure positive outcomes by:
