

Over 30 Years in Manufacturing

*Uniquely Designed  
for Every Home*

Over 30 Years in Manufacturing

With over 30 years of expertise, KDK leads the global sanitary ware market by delivering reliable and elegant solutions tailored for modern bath and kitchen spaces. Our thoughtfully crafted designs emphasize simplicity, everyday functionality, and lasting quality that every customer can trust. In Australia, our strategically located warehouses in NSW, VIC, and QLD support a growing network of over 700 retail partners and serve millions of satisfied end customers across the country.

## Every Detail, Backed by Trust

## 1997

**Made By Heritage Craftsmanship**

In 1997, KDK Sanitary Ware was established in Chaozhou, China, a city renowned for its centuries-old pottery tradition. Building on this rich heritage, the company has become a well-established manufacturer and exporter of quality sanitary ware. The opening of the factory marked a significant milestone, advancing ceramic production in this culturally significant and resource-abundant region.

## 2008

**International Market Expansion**

KDK has built a strong global presence across markets like the US, UK, Australia, Thailand, and the Middle East. With a clear focus on raising bathroom standards, the brand has gained worldwide trust through its commitment to quality and innovation. This growth highlights KDK's ability to meet diverse regional needs and reinforces its position as a leader in the global sanitary ware industry.

## 2015

**Australian Leading Bathroom Industry**

Since 2015, KDK has become a leading supplier of premium bathroom and kitchen products in Australia, offering a wide selection of items from toilets to vanities and kitchen sinks. With warehouses in Sydney, Melbourne, and Brisbane, and partnerships with over 500 respected offline stores and showrooms, KDK has earned a reputation for quality and reliability in the industry.

## 2025

**Innovating Bathroom and Kitchen Spaces**

Committed to quality and service, KDK continually innovates and develops new products that integrate technology and creativity. With a strong focus on customer experience, the brand offers products that combine exceptional quality with great value. By focusing on the latest materials and technologies, KDK strives to enhance the way we live, providing innovative solutions for homes everywhere.

# Our Commitment to Quality

## Industry Professionals

With over 30 years of experience, KDK has firmly positioned itself as a trusted leader in the wholesale and commercial bathroom supply sector. Today, we support a strong network of more than 500 retailers worldwide and continue to expand, building long-term partnerships through reliable service, consistent product standards, and a commitment to meeting the evolving needs of the industry.

## Quality & Craftsmanship

We are dedicated to delivering premium, long-lasting products crafted to endure everyday use with style and confidence. In partnership with leading Australian experts in design, manufacturing, and sustainability, we uphold the highest standards at every stage. Each product undergoes meticulous testing and quality control to ensure durability, reliability, and performance that exceeds expectations—long after the warranty ends.

## Shaping a Sustainable Future

Every step we take at KDK is guided by our vision for a more sustainable future. We believe that by meticulously crafting vanity products with high-quality materials, we are not only creating superior items but also making a profound impact on the environment. Our commitment to sustainability extends beyond exceptional craftsmanship — it's a promise to nurture the world around us.

## Toilet Collection

# From Design to Performance

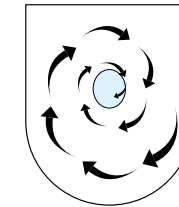

## Always Forward, Always Smarter

Experience the Best in Toilet Design and Technology with our Smart Bidet Seat: the ALL-IN-ONE solution for ultimate convenience and seamless automation. At the heart of our innovation is a commitment to intelligent systems designed to prioritize your comfort and care.

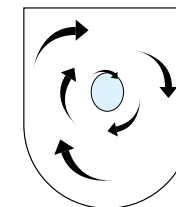

# Flush Type

## RIMLESS TORNADO

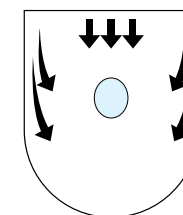

Rimless Tornado toilets feature a sleek, rim-free design and a Continuous Swirling Back Motion flush for superior hygiene and easy cleaning. It can remove hidden crevices, while the powerful flush ensures thorough cleaning with minimal water.

## TORNADO

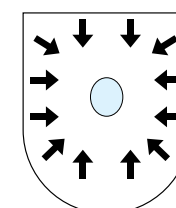

Tornado flush toilets feature a powerful, efficient system that thoroughly cleans the bowl, minimizes waste, and conserves water, all while operating quietly and ensuring effective waste removal.

## RIMLESS

Designed without a traditional rim, rimless toilets offer effortless cleanliness and superior hygiene, with an efficient flushing system that minimizes water usage.

## BOX RIM

Box rim toilets, or rimmed toilets, feature a rim with holes or slots for even water distribution, ensuring a consistent, controlled flush and more effective cleaning.

***“ A compositional play of angles, lines and shapes ”***

Thoughtfully designed to suit a wide range of bathroom layouts and aesthetics. Crafted from durable polyvinyl chloride (PVC), each unit is fully waterproof, offering long-lasting performance in wet environments. Whether you prefer the clean, modern look of a wall-hung design or the grounded presence of a floor-standing option, we offer flexible solutions to complement your space.

Features

- Made From Fully Waterproof PVC For Durability
- Signature V-Groove Design with Nordic Aesthetics
- Smooth Edge Profile Matching its Iconic Curve
- Soft-Close Functionality & Generous Storage

# Bathtub

*“Indulge in the rhythm of refined bathing ”*

Our bathtub combines sleek, modern design with a signature V-Groove pattern, crafted from durable sanitary-grade Lucite and acrylic. Available in freestanding, back-to-wall, and corner styles, it offers versatile options for any bathroom. With its Nordic-inspired luxury and lasting quality, this bathtub brings both elegance and durability to your space.

Features

- Durable Acrylic Construction With Sanitary Grade
- Nordic-Inspired V-Groove Design for Modern Elegance
- Freestanding With Adjustable Legs for Stability
- Plug & Waste Not Included
