Honduras Hope Mission

Policies, Application and Waiver of Liability

Policies

Honduras Hope Mission, Inc. (HHM) has a mission to spread the word of God through Christian values and ideals by providing hands-on humanitarian aid to the Honduran people. In order to assure a pleasant, safe, efficient, productive and positive experience for everyone, the board of HHM has established the following protocols.

These policies apply to any HHM participant.

1. All activities requiring HHM support must be cleared through the board.
2. All travel arrangements must be cleared by the board. This includes early and late arrivals and departures.
3. While in Honduras, only those approved by the board may provide transportation to team members and translators. This cannot be waived and is solely for safety reasons.
4. There will be no support for team members before or after the duration of the time frame of the mission. This includes those traveling to another country after the trip, rather than going back to their home location. Through team member fees, HHM will provide transportation (excluding airfare), food, lodging, sheets, a pillow and pillow case, a blanket, towels and emergency evacuation insurance for team members. Other travel is at the expense of the travelers and can be accommodated only by requesting such travel *before* the team member arrives in Honduras.
5. Team members are not permitted to take public transportation to a medical brigade or some other site designated as part of the mission, except as designated by the board. While all risk would be borne by the individual, an incident would greatly inhibit our ability to continue our mission.
6. U.S. Passports must have AT LEAST a SIX MONTHS expiration date past the entry date into Honduras. It is suggested that you make three copies: one for your family back home, one for the transportation coordinator, and one for your own use. Additional recommended documents would be driver's license, health insurance card, and credit card. Late arrivals due to improper documents will be solely responsible for any additional costs incurred for their trip. Non-U.S. passport holders MUST obtain visas if required by Honduras to enter. This is the team member's responsibility.
7. All team members will have evacuation insurance included in their travel fees. If the team member has their own insurance, this is fine, but the evacuation insurance will still be included automatically.
8. It is recommended that the team member have the following immunizations: the CDC suggests that people traveling to Honduras be immunized for tetanus, hepatitis A & B, typhoid, and take malaria pills. The current recommended malaria drug is Chloroquine. **It is the sole responsibility of the team member to obtain these immunizations.** Please consult your physician about these and any additional immunizations you may need before traveling. Expenses for these immunizations and medications are the responsibility of the team member.
9. Please note that Internet usage is limited, as is the use of HHM cell phones.
10. Airline tickets may be purchased for each team member by the Transportation Coordinator, but all fees for tickets and baggage are the sole responsibility of the team member.
11. No special meals can be promised to team members with specialized dietary restrictions (e.g. gluten intolerance, etc.). There should be a sufficient variety of foods for anyone with special needs, but the team member with extraordinary needs should be prepared to support their own needs.
12. Use of the area designated as lodging for team members and translators is restricted to team members and translators only, or those who have been approved by the board.

13. Honduran translators are provided according to need and availability. They are not charged for their participation in the mission. They must abide by the rules and regulations as set forth by the board.
14. All mission fees, not including airline fees, must be paid by December 1. All participants must sign and send the Waiver of Liability with the \$150.00 first installment payment by October 1. Without this, an individual is not permitted to take part in the mission. The mission fees must be paid per schedule below.
15. If a team member must cancel his/her participation for personal reasons, the \$150 initial deposit will be non-refundable. Should the mission trip be canceled for reasons beyond the board's control, then any uncommitted monies will be refunded.
16. Team members are responsible for paying the Honduran exit fee at the airport. It is currently \$43 in cash, U.S.D. and is usually included in the airline ticket price. Credit cards and Honduran lempiras are accepted.
17. Team members agree to have one of their large check-on bags filled with mission supplies. HHM will pay any baggage service fee for this second piece of luggage that may be charged by the airline.
18. If Team members desire to have personal funds available for use in Honduras they must be provided to the mission coordinator by January 1st, who will then have them wired to Honduras for conversion from U.S. Dollars into Honduran Lempires. The Lempires will then be returned to the Team member when he or she arrives in La Villa de San Francisco.

Mission Fee Payment Schedule for the mission – Total fee \$550.00 (plus the cost of airfare and Friday night lodging if necessary.)

October 1	\$150	1 st installment with application
November 1	\$200	2 nd installment
December 1	\$200	3 rd installment

Honduras Hope Mission

Waiver of Liability

I have applied to participate in this mission trip to Honduras, Central America. I understand that this mission involves serving in a variety of capacities to an under-served population. As such, I understand that I will encounter cultures and laws that are different from those of the United States. I agree to obey local laws and to recognize that common liability insurance policies may not provide coverage outside of the U.S. or Canada. I acknowledge that foreign travel can involve exposure to disease, and I agree that it is my responsibility to obtain appropriate immunizations. I acknowledge that I am in generally good health and that I am covered with personal health insurance. I understand that I will be working in a rural area of Honduras. Should an emergency arise, I will be treated by our team medical personnel immediately, then taken to a hospital if it is deemed necessary; however, I do acknowledge that I will usually be more than an hour from a hospital with medical care of a sophisticated nature. I will call my personal health insurance carrier in advance of the trip and discuss coverage should I be injured or become ill in Honduras. I also acknowledge that foreign travel can involve exposure to political and civil dangers, including instances in which missionaries or other foreign travelers have been robbed, kidnapped or killed. I agree to purchase evacuation insurance through the Honduras Hope Mission.

This mission trip is undertaken through the Honduras Hope Mission, Inc. (HHM). I recognize that HHM cannot control conditions in a foreign country such as Honduras, and I am traveling at my own risk. In consideration of my participation, for myself, my heirs, executors and assigns, I hereby waive and relinquish any and all rights, claims, demands and causes of action which I may have, and agree not to make any claim or file a lawsuit against HHM, its board of directors, or its agents.

As well, I agree to the following:

1. I will behave in a professional, kind and prudent manner.
2. I will comply with the governmental, cultural and moral standards of Honduras.
3. For safety reasons, I agree to any travel restrictions communicated by the board. This could include information provided to it by the U.S. State Department, Honduran Government or the local Gerizim Church.
4. I will inform the Mission Coordinator of my plans and whereabouts at all times.
5. There will be a daily plan for communication, transportation and leadership, and my flexibility and positive attitude will help with all planning. I will ask if unclear of any plans.
6. I agree to the following: alcohol will not be consumed; illegal substances of any kind will not be tolerated; no smoking on Gerizim Church property.
7. I understand that men's and women's quarters will be separate and off limits to the opposite sex.
8. I agree, to the best of my ability, to help the team in whatever duties I am assigned.
9. I will comply with evacuation procedures, should this become necessary.
10. I have read the Honduras Hope Mission Policies.

I understand that if I do not follow the above agreed-to statements, I may be asked by the board of directors of HHM to leave the mission at my own expense.
