

Dear friend of the Honduras Hope Mission:

Did you know that 1 in 5 Hondurans are living in extreme poverty? Most of these families are living in shacks, with several members often sleeping in one bed or on a dirt floor. They lack sufficient food. Their drinking water is often unclean, laden with parasites. They have little access to medical care. Without money to purchase required school uniforms and supplies, many children are not permitted to attend school. No government agencies exist to help these families. The Honduras Hope Mission does. For 19 years we have been providing food, housing, educational support, business support, medical care and clean water to the poorest Hondurans in the region of La Villa de San Francisco, enabling families to become self-sufficient and to break out of the cycle of poverty.

[Help us to make a difference in the lives of Hondurans.](#)

Join us to support the Honduras Hope Mission's Fourth Annual Charity Golf Tournament on Monday, October 7, 2024, at the Olde Stonewall Golf Club. Whether you golf or not you can come to the dinner and participate in the auction and door prizes.

There are a variety of sponsorship levels available. In return you will receive verbal and printed recognition at the event, as well as the knowledge that your financial gift is making a real difference in peoples' lives.

If you are planning to participate in the event, the day features a round of golf at one of Pennsylvania's most picturesque golf courses, featuring breathtaking views, rolling fairways, and greens that will challenge even the best of players. Lunch will be provided at registration, and we will wrap up the day with dinner, door prizes, and a brief awards program. Please complete the attached flyer to register your sponsorship, participation or donation.

We hope you will join us for a great day of golf, dinner, auctioneering and fun at Olde Stonewall.

Thank you in advance for supporting this worthy cause.
