Technology Disclaimer

Empowered Forward are not liable for any interference with or damage to your technology devices and accounts, computer system, software or data occurring in connection with, or relating to, this website or its use; or the use of any linked or recommended websites and their content.

The internet is an insecure public network and there are risks that information sent to or from our website or other third party linked websites may be intercepted, corrupted or modified by third parties. In addition, files obtained from or through the Empowered Forward website may contain computer viruses, disabling codes, worms or other devices or defects. You bear the risks and responsibility for any loss or damage caused, directly or indirectly, by these risks, and Empowered Forward accepts no liability for any interference with, loss or damage to your computer, telephone, system, device, associate equipment, software or data that may or does occur.

It is the responsibility of the client / participant / attendee to ensure that they have appropriate and adequate equipment to participate in services or courses that are delivered via, or that rely upon technology that is in working order (including but not limited to: televisions, projectors, screens, computers, video conferencing or video calling programs, speakers, microphones, internet connection etc).

The failure of, or technical challenges that arise with any devices used or required that prevent the proper access to/of a service or course offered by Empowered Forward is not the responsibility of Empowered Forward. If possible, and at the discretion / approval of Empowered Forward, the service or course can be rescheduled in some specific instances, to a mutually agreeable date and time in the instance where failure of, or technical challenges occur. Failure of, or technical issues that prevent proper access to the service or course, may result in the forfeit of fees paid by the client / participant / attendee.
