AEROSOLVE II™

Aerosol Degreaser and Safety Solvent

Aerosolve II™ is a superior aerosol solvent degreaser, formulated with high-purity chlorinated solvents.

FEATURES/BENEFITS:

Superior solvency	Dissolves and removes most oils or residues.
Evaporates completely and quickly	Leaves no residue to interfere with any subsequent operations.
No ODC's	Contains no 1,1,1-trichloroethane or other ozone depleting compounds
Nonflammable	Solvent is nonflammable for safer use.
High dielectric strength	The dielectric strength for Aerosolve II is typically 36,000 V.

Note: Always test on plastic and painted surface inconspicuously prior to general use. NOTE to customers in California, Lake Michigan Air Directors Consortium (LADCO) states, and Ozone Transportation Commission (OTC) states: This product is sold to and is to be used exclusively by establishments which manufacture or construct goods or commodities

APPLICATIONS:

Use to clean power tools, electric motors, printing equipment, typewriters, and office equipment. Also, Aerosolve II is great for degreasing metal parts prior to welding, soldering or brazing. Recommended to servicemen, mechanics maintenance personnel, auto dealers and in the following industries: Automotive Repair Shops, Commercial Printing, Meat Packing Plants, Motor Vehicle Body Manufacturers, Office Machines, Paper Goods Industries, Paper Mills, Repair Services, Service Stations, Trucking Industry

SPECIFICATIONS:

Physical Form	Aerosol (liquid)
Color	Clear, Colorless
Odor	Mild, Solvent-like
Flammability	Not Flammable by CSMA Flame Extension
Shelf Life	18 Months Minimum
D.O.T. Shipping Label	ORM-D

PACKAGING:

20 fl.oz.can
