BIG ORANGE™

Heavy-Duty Aerosol Citrus Cleaner And Degreaser

Big Orange is an aerosol cleaner and degreaser, formulated with citrus solvent, surfactants and emulsifiers. Big Orange is an excellent replacement for petroleum-based products.

FEATURES/BENEFITS:

Environmentally Desirable	No fluorocarbon propellants to contribute to ozone layer depletion.
Low Toxicity	Naturally occurring citrus solvent is of less concern than petroleum distillates, chlorinated solvents or butyl cellosolve.
Excellent Solvency	Cuts grease and similar soils comparably to petroleum distillates and chlorinated solvents.
Pleasant Fragrance	Leaves a fresh, citrus fragrance with no petroleum solvent odors.
Biodegradable	All detergents and/or emulsifiers are completely biodegradable.
Renewable Resource	The citrus solvent is a renewable natural resource, making big orange more environmentally friendly.

Note to customers in California, Lake Michigan Air Directors Consortium (LADCO) states, and Ozone Transportation Commission (OTC) states: this product is sold to and is to be used exclusively by establishments which manufacture or construct goods or commodities.

APPLICATIONS:

Formulated to degrease molds, dies, and other industrial equipment. Effectively emulsifies tar and asphalt, and removes many industrial glues and protective coatings. Great cleaner for unpainted concrete floors and for removing scuff and rubber tire marks. May damage some plastic and painted surfaces. Test on an inconspicuous area before general use.

Particularly useful in: Commercial Printers, Industrial Machinery Manufacturers, Automotive Repair Shops, Fabricated Metal Products, Motor Vehicle Body Manufacturers, Cleaning & Maintenance Services, Highway Paving Contractors, Warehousing Facilities, Service Stations
