LUBEZE DRILL CHILL

Aerosol Cutting Oil

A ready-to-use premium cutting oil fortified with sulfur and an extreme pressure additive. It is excellent for general and severe machining operations on hard metals such as stainless steel and carbon steels as well as on soft metals such as aluminum.

FEATURES/BENEFITS:

Excellent Lubricity	Most effective product for reducing friction in extreme pressure jobs.
Prolongs Tool Life	Lubeze Drill Chill helps decrease wear of tools from its superb lubricity.
Superior Rust Control	Leaves a light oily film on the work piece, tool and equipment providing temporary protection.
Coolant Properties	Also acts as a coolant in the metalworking process.

NOTE: May stain soft metals such as aluminum. Test prior to general use.

APPLICATIONS:

An excellent fluid for low-speed operations that require high physical lubricity such as broaching, drilling, lathing, milling, tapping, and gear-cutting.

SPECIFICATIONS:

Physical Form	Aerosol (liquid)
Color	Dark Brown
Odor	Sulfurized Oil
Flammability	Non-Flammable
Shelf Life	1 Year Minimum
D.O.T. Shipping Label	ORM-D

PACKAGING:

20 fl.oz.can
