POWER SOLV II™

Aerosol Solvent Degreaser & Brake Parts Cleaner

Power Solv II™ is a fast evaporating, non-flammable, solvent degreaser ideal for cleaning and degreasing brakes, tools, equipment and other parts.

FEATURES/BENEFITS:

Highly Effective	Washes away grease, oil, brake fluid, impacted dust, and other soils without leaving any residue behind.
Effective Degreaser	Dissolves and removes most oils or residues.
Evaporates Completely	Leaves no residue to interfere with any subsequent operation.
High Dielectric Strength	Typically has a 36,000 Volt dielectric strength

NOTE: May damage certain plastic and/or painted surfaces. Test on an inconspicuous area prior to general use.

NOTE to customers in California, Lake Michigan Air Directors Consortium (LADCO) states, and Ozone Transportation Commission (OTC) states: This product is sold to and is to be used exclusively by establishments which manufacture or construct goods or commodities.

APPLICATIONS:

Recommended to all vehicle maintenance and brake repair shops. In addition to brake parts, use on diesel and internal combustion engines, marine motors, power tools, refrigeration and air conditioning equipment. Ideal cleaner prior to use of RTV silicone. Use in the industries of: Automotive Repair Shops, Industrial Machinery Suppliers, New & Used Car Dealers, Equipment Rental & Leasing Services, Paper Goods-Industries, Service Stations, Trucking Industry, Farm Machinery & Equipment, and Motorcycle Dealers
