## *Liquid Hand Cleaner for Heavy-Duty Cleaning*

TKO industrial hand cleaner is enriched with lanolin to smooth hands while scrubbing pumice and heavy-duty detergents clean deep to remove grease and grime from Hands

### FEATURES/BENEFITS:

Heavy-Duty	This product contains pumice that cuts through dirt, grease and grime.
Non-Irritating	TKO Hand Cleaner contains no solvents to dry out or irritate hands, which makes it a great all-weather formula.
Contains Synthetic Detergents	This product produces rich lather but rinses freely without leaving soap film on hands.
Pleasant Fragrance	Lemon-lime scent leaves hands with no lingering solvent odor.

### APPLICATIONS:

TKO is an excellent product for mechanics, printers, factory and industrial workers, repair and service personnel. Particularly useful in automotive parts stores, cleaning and maintenance services, industrial machinery manufacturers, automotive repair shops, commercial printers, new and used car dealers, building contractors, highway paving contractors and service stations.
