Zep 2000™

Heavy-duty, Clear, Penetrating Grease

Zep 2000 is an aerosol, high pressure, clear lubricant with high adhesive strength.

Zep 2000 is formulated with a unique combination of natural and synthetic lubricant agents, along with PTFE.

FEATURES/BENEFITS:

Penetrating grease	Solvents promote maximum penetration, even into tight areas, and evaporates rapidly allowing set up of the grease.
High adhesive strength	Adheres to surfaces, resists, throw-off and squeeze out when subjected to extreme pressure, vibrations, or repeated impact. Provides long lasting lubrication.
Inhibits corrosion	Coated metal parts resist water wash out, helping to prevent rust and corrosion.
Resists water washout	Can be used effectively in wet environments.
Contains PTFE	PTFE enhances lubrication performance and reduces friction.

APPLICATIONS:

Use to lubricate a variety of surfaces including door hinges, open gears, wire ropes and cables, chains and sprockets, conveyors and manifold heat valves, and above water line marine applications. For use in: Amusement & Recreation, Automotive Repair Shops, Equipment Rental & Leasing Services, Fabricated Metal Products, Farm Machinery & Equipment, Industrial Machinery Manufacturers, Railroads, Service Stations, Warehousing & Storage

SPECIFICATIONS:

Physical Form	Aerosol (liquid)
Color	Clear to Amber
Odor	Solvent
Flammability	Extremely Flammable by CSMA Flame Extension
Shelf Life	1 Year Minimum
D.O.T. Shipping Label	ORM-D

PACKAGING:

20 fl.oz.can
