Zep 40

Nonstreaking Cleaner

A heavy-duty, foaming cleaner for nonconductive surfaces in a convenient aerosol form. Fortified formula contains powerful solvents, wetting agents, and ammonia to handle difficult cleaning tasks.

FEATURES/BENEFITS:

Heavy-Duty	Rapidly removes dirt, film, fingerprints, tobacco smoke, grease and a variety of other oily and water-soluble soils.
Versatile	Cleans almost any surface not harmed by water.
Easy-to-Use	Handy aerosol package eliminates premixing and special sprayers. Just simply spray on and wipe dirt and grease away.
Low Temperature Use	Designed especially to eliminate low temperature streaking problems during winter months.
Ecologically More Desirable	Contains no phosphates or fluorocarbon propellants.
U.S.D.A. Applicable	Can be used on all surfaces in inedible product processing areas, nonprocessing areas, and/or exterior areas.

Note: Not recommended for film-tinted windows or Plexiglas.

APPLICATIONS:

Ideally suited to remove soil, smudges, and streaks from nonconductive surfaces such as show cases, doors, table tops, desks, enamel surfaces, chrome, stainless steel, and tile. Particularly useful in: Automatic Vending Machines Operators, Eating & Drinking Establishments, New & Used Car Dealers, Car Washes, Home Furnishing Stores, Schools & Education Services, Cleaning & Maintenance Services and Sports & Recreation Clubs
