NZMSA Conference: Toiora

Kokea Te Pae Mahutonga Panel

Te Oranga were fortunate to host a tākuta panel at the annual NZMSA conference, 'Toiora'. The theme refers to the Hauora Māori framework Te Pae Mahutonga, using our whetū and concepts such as mauriora, waiora, toiora, and te oranga, to guide aspects of what was an incredible weekend.
Our panel consisted of three incredible Māori GPs, including the ultimate activist Rawiri McKree Jansen, our wahine kaha and recipient of the Dr. Paratene Ngata Ngākau Ora award 2025 Katrina Kirikino-Cox, and the deeply insightful and inspiring Robert Saunders. Their passion and insight into serving Māori communities through their mahi, and their call to all medical students to advocate and uplift the health of all communities was a kōrero to remember! (and personally, our favourite panel of the entire conference!).
Ngā mihi matakuikui ki ngā kaiwhakarite o tō tātou nei kōrero whakaoho i te tangata!

NZMSA NATIONAL SURVEY

LINK

We would like to encourage you all to take 10-15 minutes to fill out this survey. The NZMSA National Survey is the main and most robust way that NZMSA collects data from you, our tauira. This data helps inform the strategic direction, advocacy mahi, and many conversations with decision makers of NZMSA.

NZMSA also shares this information with associations like us, AUMSA, OUMSA, and other regional associations across the medical schools. Thus, this information also helps us and our mahi as well.
