

Strengthen your Board. Shape your future.

Board advisory

Offering personalised guidance that aligns with your company's goals, driving long-term growth and resilience.

Utilising qualifications and experience to provide valuable insights on governance, risk management, and strategic planning.

Strengthening board decision-making processes to improve operational efficiency and corporate governance

Implementing robust risk frameworks to safeguard your business's future

Advising on capital optimisation and financial strategies to improve cash flow and profitability.

Your strategic Board partner

By inviting me onto your board, you're gaining a strategic partner dedicated to your business's success. I help boards stay focused on what matters: long-term value, robust governance, and genuine impact.

My approach is direct, pragmatic, practical and commercially-minded.
