Please read and sign the following:

I understand that skiing and ski racing can be a dangerous sport and that I accept the risks involved as my own. I release the Palmetto Ski & Outing Club, any of its board of directors, or anyone involved in organizing any race activities, from any responsibility should I injure myself in any way, form or fashion.

I understand that I am racing as a member of a team. I understand that if I sign up for a race and cancel without notifying the race director by the Sunday preceding the race, that my "No Show" may cost my team points. I also acknowledge that my "No Show" may result in exclusion of any other team rebates, and the possible exclusion from special race team events.
